Stunning 5dr Corsa in excellent condition throughout and this car has not been smoked in or had pets inside. Great spec with bluetooth, touch screen media system, heated front seats and aircon. Good service history too and we will carry out a service prior to delivery and put on a new MOT on the car. Hardly a stone chip or mark on the car and the interior is spotless. Purchased directly from the Honda main dealer in Staffordshire it was part exchanged at, fortunately for us just slightly too old for them to be allowed to retail themselves and drove faultlessly back here when collected by ourselves. Actons Motor Company NEVER buys cars from auction halls, we are a family run business that has operated from the same site for the past 30 years. Due to expansion
